Quick Reference: Medal Classes

MEDAL CLASSES - GENERAL

The SCHSA offers six Medal classes. These classes must be offered in addition to fifty percent (50%) of the classes required, for SCHSA approval. Medal Classes may not be run as an open card with other classes, but 17-Under with 18-Over or 12-Under with 13-Over when it is determined that the required number of exhibitors may not be met for points to count unless classes are combined. In combined Medal Classes, the highest placing rider accruing points, in the alternate age group of the winner, will also qualify for the finals.

- Eligibility: RIDERS AND TRAINERS MUST BE CURRENT MEMBERS BEFORE ENTERING MEDAL CLASSES. It is the responsibility of riders, parents, and trainers to understand eligibility rules for each medal class and to maintain eligibility through the finals. Horses must be recorded with SCHSA.
- Qualified riders may not show in final qualifying class at show hosting the medal finals.

SCHSA FUTURES MEDAL

- This class shall consist of one round over a course of at least 8 fences not to exceed two feet three inches in height (2'3"), there shall be no combinations on course, only one change of direction is required, a work-off must be built into the course. As of 2023, there are no Oxers in the SCHSA Futures Medal
- This class is restricted to junior and amateur members who have not competed in a class where fences may be set over two foot six inches (2'6") in height.
- At least three exhibitors must complete the course.
- Points will be awarded as follows: 1st/10, 2nd/6, 3rd/4, 4th/2, and 5th/1.
- 10 points qualifies a rider for the finals. Riders may continue to compete after qualifying.
- Riders must maintain eligibility through the finals.
- Qualified riders may not ride in final qualifying class at the show hosting the medal finals

SCHSA 17 & UNDER HUNT SEAT MEDAL CLASS

- This class shall consist of one round over fences counted (60%) and a flat phase (40%).
- The course will consist of at least eight fences set at three feet (3') in height, with two changes of direction, and at least one combination including an oxer.
- All riders must ride in both phases.
- The same horse and equipment must be used in both phases, with the exception of martingales, which may not be used in the flat phase. Three riders must complete both phases for the class to count.
- In order to compete in a medal class riders and their trainers must be SCHSA members before entering the medal class.
- To be eligible to compete in the SCHSA 17 & Under Medal class a rider may not have won a medal class with fences exceeding three foot three inches (3'3") in height, as of the date of winning the SCHSA medal class. After qualifying, a rider may compete and/or win classes above the height and still be eligible for that year's finals. However, that rider is not eligible for SCHSA Medal classes the following year. After a period of five years has elapsed since a rider has won a medal class at three foot six inches (3'6") or higher, that rider regains his eligibility to compete in SCHSA 17&Under and/or 18 & Over Medal classes.
- In order to participate in a medal class, a rider must be eligible by age on the day the rider competes in the medal class, as well as the date on which the Medal Finals are held.
